**Dr. O’Day’s President Report**

**This is my last report as president of MBDS. I would like to personally thank each and every one of you for your diligence this past year. It truly has been my privilege to work beside many of you for so long. I am looking forward to our New Dentist Event on Thursday March 26. This is our first joint venture with Chester-Delaware. I hope to work with them on at least an annual basis in the years to come. Thank you to David Kaffey and Ada Greenfield for working so hard on this project. We now have established many collective inroads to communicate with our local dental schools and residency programs. It is with much anticipation that I welcome our new president, Joanne Burrell, to take the reins! I am truly impressed with all of her organizational skills and attention to detail. She has had many meetings and brain storming sessions over the last several months. Please make sure you respond to her as to your position on the EC for next year. Joanne has many wonderful and bright ideas for MBDS. I know her presidency will be stellar.**
